

KIM HASTIE, REVENUE COMMISSIONER, MOBILE COUNTY

Citizens of Mobile County:

In response to the COVID-19 pandemic and growing public health concerns, the Mobile County Revenue Commission is taking the precautionary measure of temporarily closing all of our offices. The safety of our taxpayers and employees is our primary concern and therefore we are tentatively scheduled to reopen April 6, 2020. We will continue to review this action as new information becomes available and will keep you aware of all changes.

During this time, we do not want you to be concerned about any time sensitive requirements from this office. When we reopen for business, all of this will be handled with no additional repercussions to taxpayers. Please note that online transactions will continue to be available. We ask that you use the "contact us" form, located on www.mobilecopropertytax.com for any questions, and we commit to a timely response.

We apologize for any inconvenience during this time and thank you for your cooperation and support.

Kim Hastie
